Meet Raheem Sterling, Ultimate Football Hero. 'It was 14 November 2012. This was the biggest day of Raheem's life so far - after all, you only made your England debut once.' Sterling is the exciting tale of a boy who followed his passion and became one of the most dynamic young players in world football, winning the hearts of fans along the way. Relive Raheem Sterling's whirlwind journey in this uplifting story. Ultimate Football Heroes is a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written in fast-paced, action-packed style these books are perfect for all the family to collect and share. Col. George Wright's campaign against the Yakima, Spokane, Coeur d'Alene, Palouse, and other Indian peoples of eastern Washington Territory was intended to punish them for a recent attack on another U.S. Army force. Wright had once appeared to respect the Indians of the Upper Columbia Plateau, but in 1858 he led a brief war noted for its violence, bloodshed, and summary trials and executions. Today, many critics view his actions as war crimes, but among white settlers and politicians of the time, Wright was a patriotic hero who helped open the Inland Northwest to settlement. "Hang Them All" offers a comprehensive account of Wright's campaigns and explores the controversy surrounding his legacy. Over thirty days, Wright's forces defeated a confederation of Plateau warriors in two battles, destroyed their food supplies, slaughtered animals, burned villages, took hostages, and ordered the hanging of sixteen prisoners. Seeking the reasons for Wright's turn toward mercilessness, Cutler asks hard questions: If Wright believed he was limiting further bloodshed, why were his executions so gruesomely theatrical and cruel? How did he justify destroying food supplies and villages and killing hundreds of horses? Was Wright more violent than his contemporaries, or did his actions reflect a broader policy of taking Indian lands and destroying Native cultures? Stripped of most of their territory, the Plateau tribes nonetheless survived and preserved their cultures. With Wright's reputation called into doubt, some northwesterners question whether an army fort and other places in the region should be named for him. Do historically based names honor an undeserving murderer, or prompt a valuable history lesson? In examining contemporary and present-day treatments of Wright and the incident, "Hang Them All" adds an important, informed voice to this continuing debate. More than just a military history, Walsh's narrative about Robert E. Lee and the Army of Northern Virginia digs deeper, revealing the humanity of the general and his lieutenants as never before. "One of the best books on the war's eastern theater in some time."--"Booklist." The prevalence of dementia is increasing rapidly as the population ages and there is a steady rise in people with dementia being admitted to acute hospitals. Media coverage of the care received by people with dementia in acute hospitals is almost wholly negative. The purpose of this book is to provide a detailed description of what the experience, both positive and negative, is really like from the perspectives of patients, lay carers, and health and social care staff, and to propose a model for improving care. The book comprises four elements. A literature review sets person-focused research in the context of dementia research as a whole. Research illuminates the experiences of acute hospital care for people with dementia through ethnographic description and narratives. To improve practice, a development model that engages staff on a cognitive and emotional level based on the philosophies of confluent education and situated learning is explained. Finally, the strands are drawn together to demonstrate that people with dementia, even those at an advanced stage and with superimposed physical illness, can be engaged in research that is both ethical and meaningful. Improvements in practice are possible and they need to be underpinned by a belief in the personhood of staff as well as that of patients. Areas for further research and practice development in this vital subject are identified. Perfect for fans of Adam Silvera and Becky Albertalli, Mason Deaver's stunning debut will rip your heart out before showing you how to heal from tragedy and celebrate life in the process. Leaving her adoptive mother, a witch named Mathena, Rapunzel decides to marry a prince whom she had met previously in the enchanted forest and who is now a widower with a young daughter named Snow White. Sleeping Beauty's daughter, Aria, enters a fashion design competition against her mother's wishes, and when she pricks her finger on a cursed needle, she must figure out how to reverse the spell to prevent her family history from repeating. The author of *The Bushes* offers his views on the corruption that he believes runs rampant in the American government. The Book That Started It All Hardcover Meet Wayne Rooney, Classic Football Hero. 'You were born to play on this stage, Wayne... the fans want to see something special, so give them a show to remember.' Rooney tells the action-packed story of one boy's journey from the streets of Croydon to one of the biggest stages in world football. This heartwarming book tracks Wayne Rooney's fairytale rise from child superstar to Everton hero to Manchester United legend. Ultimate Football Heroes is a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written in fast-paced, action-packed style these books are perfect for all the family to collect and share. Ten years after the worldwide bestseller *Good to Great*, Jim Collins returns with another groundbreaking work, this time to ask: why do some companies thrive in uncertainty, even chaos, and others do not? Based on nine years of research, buttressed by rigorous analysis and infused with engaging stories, Collins and his colleague Morten Hansen enumerate the principles for building a truly great enterprise in unpredictable, tumultuous and fast-moving times. This book is classic Collins: contrarian, data-driven and uplifting. Reassure children that they are loved and loveable no matter the ups and downs of the day with words of affirmation for kids. *I Love You All the Time* speaks to the power of caregivers' steady love to help children develop confidence, resilience, and emotional agility with words of affirmation for kids. Parents and teachers want strategies for helping preschoolers manage their emotions. But to effectively teach emotional self-regulation strategies, children first need to know they are safe and loved—all the time. Even when they lose their temper, even when they stay up too late, or lose their shoes, or yell at their friend. The steady love of a caregiver can help children thrive, even when life is challenging. Written from the perspective of a caring adult speaking to a child, *I Love You All the Time* strengthens relationships by addressing the common childhood fear: Am I loved all the time? Its charming rhyme, words of affirmation for kids, and heartwarming message make the book perfect for storytime, home, the preschool classroom, and whenever children need a reminder that they're loved. All the Time Series Written from the perspective of an adult speaking to a child, these rhyming books help young children know that they are deserving of love through life's ups and downs and show them all the ways they're supported as they continue to grow and learn. "The second edition of Elaine McEwan's book is a user-friendly guide that integrates research into practice. It carefully explains the research behind reading development and provides truly clear, no-nonsense steps to implement the best practices of Purple unicorns are the star of these nineteen tales ranging from steampunk and science fiction to fairy tales and murder mysteries. First sighted at the Superstars Writing Seminars, their legend has grown year after year until it could only be contained in this anthology. Nineteen storytellers, including Peter S. Beagle, Todd McCaffrey, and Jody Lynn Nye, as well as new and rising authors, invite us into worlds both near and far, across a desert oasis, a pet shop, a Comic-Con exhibition floor, and more, and show us the many variations of purple unicorns, from the imaginary to the actual—and one very memorable half-unicorn, half-potato. One Horn to Rule Them All is an unforgettable collection of imagination and creativity. So, saddle up, and take a ride beyond the rainbow. All profits benefit the Superstars Writing Seminars Scholarship Fund. Allan Fredrickson grew up in Southwestern Manitoba, Canada and attended the college of Veterinary Medicine at the University of Minnesota. Upon graduation he accepted an associate position in a mixed animal, full service veterinary hospital in Mount Vernon, Washington. He has four grown children and lives with his wife Barbara in Mount Vernon. When Dr. Friedson approached the horse he ran his hand along the neck under the mane then down her face and over her nose. He reached up and felt her ears. He slowly slid his hand into her mouth and gently wrapped his hand around her tongue. On the morning Snoot was to be taken from his friends, Alton took him to a quiet spot in the woods behind the duck pond to play together and have time to say goodbye. As he scratched the pig's belly, snoot looked up at him and grunted as if he understood every word that was being said. When Rachel walked in in she couldn't believe her eyes. Mrs. Martin was pressed right against the wall with her daughter lying on the floor between her legs. Dr. Friedson had the dog cradled in his arms protecting the large injury along its back. Dr. Friedson had seen many gruesome sights during his time in practice but this was the worst wire cut he had been called to treat. The fright and pain of the horse, the massive destruction of tissue, and the anguish and anxiety of the owners, was overwhelming. This is a book of well-written short stories with unusual endings. In the magical kingdom of Evergreen, beautiful Princess Elena is suddenly whisked away by an old woman. Undefeated champion Gallant and shy bookworm Earnest go on a quest to find "the greatest treasure in the land" so one of them can save and marry the princess. Along the way, Earnest and Gallant realize "the greatest treasure in the land" is not what they expected. This is a 28-page, full-color, illustrated children's adventure picture book with a same-sex marriage. BOOK ONE IN THE CARD JORDAN SERIES AN EPIC WESTERN TALE OF REVENGE Frontier justice starts with one fateful hunting trip? The year is 1875 and sixteen-year-old Card Jordan returns from his first solo hunting expedition to find a gang of lawless thieves has murdered his entire family. Etched in the dirt next to his mother's corpse he finds the words CARD, KILL THEM ALL. He vows revenge, and overnight must transform from a young, carefree boy into a responsible man who takes the law into his own hands. He dons his father's old Cavalry hat and sets out to track the gang down, no matter what. Card knows a man is only as good as his word, and that family honor is everything. Heartache, illness, and even a few bullet wounds won't stop Card from completing the job he set out to do. As he follows the murderers through north Texas and Indian Territory, he practices his quick draw skills and hones his gunfighter acumen, promising himself to draw only if drawn upon. But finding Ned Black, the leader of this amoral gang, and finishing the task of killing them all, proves more difficult than he could have ever imagined, as he deals with the heartache of loss while putting a plan together for his uncertain future. Watch as Card struggles to grow into a capable man his mama would be proud of, in this riveting western! We think we know the story of Snow White from Disney and the Brothers Grimm. But acclaimed folklorist Maria Tatar reveals dazzling variations from across the globe. The story of the rivalry between a beautiful, innocent girl and her equally beautiful and cruel mother has been endlessly repeated and refashioned all over the world. In Switzerland you might hear about seven dwarfs who shelter a girl, only to be murdered by robbers. In Armenia a mother orders her husband to kill his daughter because the moon has declared her "the most beautiful of all." The Brothers Grimm gave this story the name by which we know it best, and in 1937 Walt Disney sweetened their somber version to make the first feature-length,

animated fairy tale, Snow White and the Seven Dwarfs. Since then the Disney film has become our cultural touchstone—the innocent heroine, her evil stepmother, the envy that divides them, and a romantic rescue from domestic drudgery and maternal persecution. But, as every fan of the story knows, there is more to Snow White than that. The magic mirror, the poisoned apple, the catatonic sleep, and the strange scene of revivification are important elements in the phantasmagoria of the Snow White universe. Maria Tatar, an acclaimed folklorist and translator, brings to life a global melodrama of mother-daughter rivalries that play out across countries and cultures. The Landmark Hotel & Casino was considered by many to be an eyesore and a failure before it was even completed. Developer Frank Caroll's dream struggled to become reality through seven years of stop-and-go construction. Money problems and legal disputes plagued the Landmark throughout its construction as well as its entire operational life. A string of owners, including the eccentric Howard Hughes, struggled to make the Las Vegas property a success but fate refused to roll the dice in their favor. Filled with rare photos, interviews with employees, and backed by over a decade of research. From its development and construction, through its operational life, to its twilight years of abandonment and eventual destruction to make room for a parking lot, this is the story of the "tower above them all" in Las Vegas. Meet Zinedine Zidane, Classic Football Hero. 'In the first minute, Zidane used his strength to hold off two Brazilian midfielders and then backheeled the ball cleverly between them. The France fans loved his tricks.' Zidane is the fantastic story of the boy who started off on the streets of Marseille and went on to win a World Cup with France, score a legendary volley to win the 2002 Champions League Final, and return to Real Madrid as manager. This is how the poor boy with the incredible talent went on to become the greatest player of his generation. Classic Football Heroes is a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written in fast-paced, action-packed style these books are perfect for all the family to collect and share. Aleca Zamm, an ordinary ten-year-old with an extraordinary talent, finds a new friend and has to rescue her Aunt Zephyr from a teleportation crisis in this hilarious third novel in the Aleca Zamm chapter book series. Aleca Zamm knows she's not the only Wonder at school with a magical ability. Third grader Ford Kimble is a Wonder as well. Ford is able to see people as they used to be in the past and as they will be in the future. He can time travel! Well, sort of! Aleca starts hanging out with Ford to discuss their magical abilities, which makes Aleca's best friend, Maria, jealous. Aleca even forgot the first meeting of the Secret Pals Club, Maria and Aleca's new idea for a club that performs secret good deeds for bullied kids! Worse, Maria is onto Aleca's secret of being a Wonder. She definitely suspects something, but Aleca has sworn to Aunt Zephyr that she won't tell anyone about her magical ability. Plus, Aunt Zephyr's ability to teleport is starting to deteriorate along with her age, and Aunt Zephyr's about to throw in the towel on being a Wonder for good. Can Aleca and Ford figure out how to get Aunt Zephyr's magical powers back? And can Aleca save her friendship with Maria while still keeping her magical powers a secret? This is the story of two thrilling generations of Bounty. First, the original eighteenth century British Naval Transport ship, on which the most infamous mutiny in British naval history played out. Pulling together details from various contemporary accounts of these events author and filmmaker Geoff D'Eon tells the tale of a harsh leader cast out to sea who miraculously finds his way back to England. Then comes the glorious twentieth century Hollywood recreation of Bounty from Lunenburg, Nova Scotia. Her crew spend delightful weeks in the South Pacific. Years later, Bounty fights for survival as her captain sails her straight into violent Hurricane Sandy. A dramatic rescue effort saves the crew, but the ship, the captain and one young crew member are lost. Spanning four centuries, this is a story of romance, risk, exotic travel, cruelty, lust, loyalty, jealousy, misadventure, hubris, heroism and death. Fully illustrated with paintings, photographs and artifacts, this book tells one of the greatest sea stories of them all. In the world today, there is a Luciferian Occult Epistemological Autocracy where ÓTruthÓ is allocated to a few Luciferian Elite Scientism Priests. There is a self-professed superiority amongst these hypnotized pseudo-academics, drunk on blind ambition, and hell-bent on creating a worldwide Techno Mystical Technocracy. In their eyes, they should be the supreme rulers over all others in a sterile, Brave New World, digitally manipulated and controlled tyranny. Where any sane and seasoned thinker would see inherent limitations to what Mankind can know and perceive, there are no such intrinsic limitations of empirical or epistemic reasoning within this Cult of The Luciferian Elite. This riveting book explains how this all happened, why, and what the chilling conclusion will be for Mankind as it endures the One Deception to Rule Them All. Meet Jamie Carragher, Classic Football Hero. 'He puts his body on the line for the good of the team. His passion stood him out from the rest.' Carragher tells the story of the Liverpool hero who stood firm to make Liverpool's breath-taking victory at the UEFA Champions League Final in 2005 possible, coming back against AC Milan, despite the Italian team's enormous lead. This is a story about true loyalty and dedication to one of the world's greatest teams. Classic Football Heroes is a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written in fast-paced, action-packed style these books are perfect for all the family to collect and share. Pamela Jaye Smith, Founder of Mythworks, author of "Inner Drives" and "The Power of the Dark Side" "Written in a personal and very moving style, Dr. Schram's book offers insights from great thinkers and philosophies about the nature of reality and the unity of existence. His own perspective is joyous and he points delightedly to ways we ourselves can discover and live joy. Citing many sources, from mystic Judaism to Native American shamanism to Hindu philosophy, and more, Schram proves his point that not only is everything connected but that our perceptions and teachings from varied times and places reflect each other as well. Having read the Old Testament many times as a young Christian and later as a comparative mythologist, I was surprised and intrigued at his explanations of many of the stories. His psychological insights offer deep illustrative interpretations to the old Bible tales. A rich collection of quotes from diverse thinkers enriches and illustrates his points about the nature of reality and our place in it. Ancient philosophy, quantum physics, ageless wisdom, and a charming sense of humor all combine in "Oh My God" to offer you an entertaining read, an informative overview of philosophies, and a personal perspective that inspires you to find, know, and become your true self and live life to the fullest." Lance Barrington's priority is business, not pleasure. Only one woman has ever been able to turn him inside out: Willa Chambers, his sister's best friend. Forbidden. Scandalous. Unforgettable. They've spent the last ten years trying to forget one night. When Willa and Lance are thrown together again, things heat up fast. Loving him almost destroyed her the first time. This time, will it heal her? Quit Fixing Yourself and Get on with the Life You Came to Live! If you are among the millions of people who have devoted years of time, bundles of money, and buckets of effort to finding the teacher, training, or technique that will fix what's not working in your life, you will find welcome relief in this dynamic, heartfelt, and humorous array of illuminating insights. Whether you are a newcomer or veteran on the path of self-improvement, I Had It All the Time will awaken you to a life so magnificent that you will laugh at the notion of improving what love made whole. Meet Harry Kane - Ultimate Football Hero. When Harry Kane was released by Arsenal at nine years old for being too small, he had to use all his self-belief to prove that he could make it as a footballer. Now a superstar striker for Tottenham Hotspur and England, his hard work and determination have paid off. Kane is the amazing story of how the boy from North London became the Premier League's most lethal goalscorer. Ultimate Football Heroes is a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written in fast-paced, action-packed style these books are perfect for all the family to collect and share. "How to flexibly organize school book rooms in service of instruction-aligned classroom libraries"-- Meet Paul Pogba, Ultimate Football Hero. 'It's time to shine, Paul said to himself as he walked out of the tunnel and onto the Old Trafford pitch.' Pogba tells the exciting story of how French wonder-kid Paul Pogba became Europe's best young player, and finally fulfilled his dream of returning to his boyhood club Manchester United in a world-record transfer. The sky is the limit for United's new star. Ultimate Football Heroes is a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written in fast-paced, action-packed style these books are perfect for all the family to collect and share. This book includes Donald Hall, Jack Kerouac, Robert Kelly, Bill Lee, Paul Metcalf, Anne Waldman, Tom Clark, and Bernadette Mayer. The quality of the work in this anthology varies widely, but the sheer unlikeliness of a volume of neo-beat baseball poetry and new-age-inflected essays cannot help but inspire generosity. The photography is remarkable, and the photo essays of baseball stars of the 1950s and 1960s have this awe-inspiring sense of the mundane about them. " God Created them all" is a collection of fifty five short stories depicting the authors myriad experience spanning 25 years as a doctor, dealing with different personalities in life. Some of the candid moments in the real life of these hapless people are captured truly in these short stories intertwined with the humorous , aberrant frailties of human nature shrouded in uncanny beliefs , rituals and cultural shackles, societal sanctions ; aided and abetted by moral upholders in the society. No doubt, all the characters are creations of GOD trying to make a living in their own way in whatever they are skilled in ,many not understanding nor are aware of the consequences of their actions. Among them the caregivers struggle to live with their loved ones normally in a stigma ridden, supposedly unpredictable sane world. In these short stories, the author has provided simple solutions to complex problems ,making use of their inherent strength and weakness , with the object of providing a chance to lead their lives with self-respect and dignity. The untold supreme sacrifice of these lesser brethren is a clarion call for all of us to lend a supportive and helping hand to make their lives purposeful and happy in our own small humble way as 'God would certainly have done if he were in a human form' as God created them all. Marvin English is a prominent name in Hollywood, mainly because he is married to a Broadway superstar, and for no other reason. He considers himself a talent Agent. Someone who can provide a new face to Hollywood and make them a star. Sound familiar? His business is done out of a Los Angeles apartment and all six bedrooms have been converted into offices. His business is providing celebrities for commercials, events and public appearances. He is also known for offering and providing a safe haven where he can take his paramours. Yes, he is a cheater of the worst kind. When he would bring his mistresses to the apartment/office, the staff was given warning to leave the office immediately. Marvin is not unlike others who play the same kind of game. Promises that never happen, false joys of excitement only to be disappointed; and dinners and events where the payoff is what happens afterwards. Producers, Directors and other well known people can take advantage of someone new to L.A., but not all of them do it. This book sheds light on some of the activities you might see if you were to become involved in show business. With the ups, downs and dog-eat-dog daily rituals, its what turns some really nice people into back-stabbers Success! Meet Andrés Iniesta, Ultimate Football Hero. 'As he stood in the tunnel with his teammates behind him and the pitch ahead of him, Andrés smiled to himself. He re-positioned the armband one last time and closed his eyes.' Andrés was always smaller than his friends, but he refused to let that stop him becoming one of the most skilful footballers ever. Iniesta tells of how his talent and hard work shone through as he became captain of Barcelona, and went on to score the winning goal in the World Cup final.
