Defined - Bible Study Book Mar 31 2021 Defined Bible Study Book includes content for eight sessions, personal study between group sessions, applicable Scripture, "How to Use This Study," tips for leading a group, a leader guide, and a family-discipleship page. When you introduce yourself to someone for the first time, you have an opportunity to define yourself. You disclose your name, profession, and interests. These factors help our culture define us, but are those answers enough? People are struggling in ten thousand ways because of identity issues. They can't help but ask, who am I? and why do I matter? Can our culture really provide meaningful answers to those questions, or do we need something deeper and more significant? Before asking, who am I? we need to be able to answer, who is God? If we can't answer the first question, we will never answer the second. The problem with our search for identity is that we are looking in all the wrong places. Scripture teaches that we are all made in the image of God. We do not define ourselves—the Creator does. We were all created to be known and loved by God. Once those answers are clear, we can move forward and discover all God has called us to be. Session topics: 1. Uniquely Created by God 2. Uniquely Broken by Sin 3. Transformed by the Gospel 4. Who We Are in Christ 5. What We Have in Christ 6. Living Out Our Identity 7. Walking in the Spirit 8. Walking in Mission Features:; Videos and session previews featuring Alex and Stephen Kendrick ; Eight small-group sessions; Personal-study opportunities for ongoing spiritual growth; Promotional video; Social-media assets for the group leader Benefits:; Answer the questions "Who is God?" and "Who am I?"; Define yourself by God's standard.; Learn how sin has uniquely broken you.; Discover how you can be transformed by the gospel of Christ.; Understand what it means to be created for good works.; Develop a deeper appreciation for the Book of Ephesians.; Learn to walk with Christ in stronger faith and assurance.; Use the unique way God has gifted and created you to serve others.; Take hold of the grace available to you in Christ.; Find purpose and meaning in Christ.; Define yourself by the Creator's call instead by a cultural identity.

She Reads Truth Jan 21 2023 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

International Case Studies in Mental Health Mar 19 2020 Senel Poyrazli's and Chalmer Thompson's *International Case Studies in Mental Health* presents a variety of global cases from both developed and developing countries, detailing descriptions of the people who are seeking help to eliminate their distress and of the exceptional practitioners who provide the help. In most of the cases, the practitioner is someone who shares a similar heritage with her or his help-seeker, and who is influenced at least partly by Western psychotherapy traditions. Each chapter also is a showcase of how scholars pair up with mental health practitioners to create a work that weaves together contextual and individual qualities to inform an understanding of the help-seeker and the intervention. This book aims to help prepare both mental health trainees and practicing professionals to be effective in the provision of healing in their work with people in different regions of the world. Consequently, the authors hope to offer practitioners a glimpse of what can be achieved in these regions by people whose reputations within the respective communities are strong.
