HEA. A small-town single mom with commitment written all over her. Chelsa Lawrence's two girls are her love, her life. They live a solitary existence with no neighbors, no intruders, no men. Until playboy Prince Antonio Castillo literally washes up on her beach. Brimming with masculinity and male sex appeal, he takes Chelsa's breath away with one kiss, charms her daughters with his genuine smile—and fills their quiet lives with laughter and love. Antonio is not the marrying kind...and Chelsa is not a one-night woman. Yet this single mom who writes children's books, and her sweet little girls who hunger for fairytales and fun, soon have the confirmed bachelor rethinking his views on marriage and family. Chelsa is hearth, home—everything he believes he doesn't need. So, why do her kisses drive him mad with desire and taste like happily ever after? “Neff's characters will draw you into their story and work their way into your heart.” –Romantic Times Magazine “A great finish for this series. Don't miss it!” –Rendezvous How many girls can say their first kiss was with a prince in the British royal family? I was fourteen and he was sixteen, and yes, it was magical. But that kiss didn't exactly change my life. To tell you the truth, I didn't even think about it-or Nicky Windsor-for the next ten years . . . until fate, in the guise of my grandparents, brought us back together again. Now everything has spun out of control. I'm ducking reporters and photographers when I try to leave home. My friends act as if I'm someone they don't know anymore. The whole world seems to be watching me, wanting to see some kind of modern Cinderella story. But trust me, I'm no man's princess. I'm more comfortable in tennis shoes than in a tiara, more likely to rock a bucket than a ball gown, and more liable to fall on my face than to pull off a graceful wave. The only thing that keeps me from running away and hiding is Nicky. He's all I've ever wanted in a man: hot, hunky

and head-over-heels in love with me. I think I feel the same way. I think I want to be with him forever. But the idea of life with the royal family terrifies me. Even if I have found my one and only, can I handle what comes after our happy ending? I don't even know her name, but I swear I'll find her and claim her as mine. Ten seconds. That's how long it took for me to decide that this early-morning diner waitress was going to be the next lucky girl to hop onto my princely d*ck. Yeah, I was hungover as f*ck and still wearing last night's tuxedo, but that's never exactly been a problem. Most of the time I don't even have to ask. His Royal Hardness has a reputation that precedes the rest of me, though not by much - and girls from all over the kingdom are just dying for a ride. Not her. This girl runs away, and I'm left standing there like an *sshole. Now all I've got is the memory of her perfect body, luscious lips, and devious smile - but not her name. To make matters worse, my father is insisting that I settle down and stop embarrassing him, so he issues an ultimatum: find a wife... or else. I know exactly who I want. But first I have to find her. Finding His Princess is a very steamy, cheesy, and over-the-top Cinderella story that'll melt your kindle and your heart! "Fairytale Vacations - where it's our job to make your dreams come true!" They promised me a vacation, One I'd never forget. And I won't. Not ever. Call it crazy. Call it a whirlwind romance. Call it whatever you want. But sometimes fate, or fairy godmothers, step in, and things change. For one week, I found love in a man I never saw coming. I'm Ella and this is my story... Red Hot Romances from Mills & Boon! Me: Poor as a church mouse and eating ramen daily. Him: Rich beyond my wildest dreams; lives in a mansion on Fifth Avenue, no kidding. Me: No one listens when I talk. Heck, my manager hardly even recognizes me most of the time! Him: Powerful. People kowtow when he enters a room and would probably jump off a bridge if he told them to. But Mr. Lincoln needs a fake fiancée. To get control of his family's empire, he says. It won't be a big deal. It's just a temporary thing. So I agree. After all, what is there to lose? Hot fun, steamy nights, and a Cinderella story for the ages. But Evan's left something behind. It's not a shoe. It's not a ring. It's something else, creamy and virile. Steamy and enticing. Step into a realm where fairies only help out when they are bored to tears or obliged to do so. Instead of Prince Charming, meet alpha male. Cinderella doesn't want anything to do with her King, and her biggest aspiration is suing the shit out of her step moth when she can afford to. Erik isn't all that fond of the mermaid with red hair, but he definitely fancy the sea witch. While the Beast is something of a recluse, he sees plenty of action in his casino-slash-sexclub... This bundle includes a lot of your favourite characters, only everyone is all grown up, and definitely more sassy. What's more? All of them are standalone novels - not short stories. -----

Cinderella The King needs an heir and that means finding some sort of woman to do the job; "That's all it's about, ultimately: basic, carnal compatibility in order to satisfy this need. For that reason, the pictures I request of those who wish to apply are explicit. The full prerequisites are attached to the correspondence. If you aren't comfortable with these demands, don't bother applying." Ella applies, seeing straight through the bullshit; she goes as far as derisively add a set of pictures fitting the requirements the letter demands: A picture of her "pussy" - a fat, indolent Persian - and of her in her nightwear - yoga pants and a hoodie. In lieu of an introduction, her message reads: Dear Daniel Franko Phillippe Del Luz, I've applied to guarantee that I'm not summoned to your little orgy. Fuck you. We aren't all stupid. Ella. It was supposed to go through an automated system; she didn't expect anyone to read it... Let alone the King ----- A little Siren Silvia Undine, otherwise known as the Sea Witch, has enough of hiding. All she did three years ago was saving a child and his father, but she stands accused of causing the storm, and as a consequence, has been banished from her seas. Enough of that. Defying the ruler of the seas, she goes back where she belongs. Everything would be peaceful, if it wasn't for the three Kings who

fight over, against, and for her. The King of Alenia has taken a wife and Erik of Denker knows it's his turn; after three years spent searching for the one woman whose ever mattered - the one who saved him and his son from drowning - he has to give up and choose an alternative. He does so, tying himself to the first suitable option, just when Silvia step in his kingdom. ----- Beauty and the Beast "Let me tell you one thing, Beast: if your Prince ever returns, watch his back. There are thousands who would gladly throw daggers at it." And Belle would be first in line. Ten years ago, he was Prince Aiden, heir of Jereena, at the top of the world - now, they call him Beast. Aiden has landed on his feet, his exclusive club is the place to be, he makes hundreds of thousands a night. What else could he possibly want? Belle grew up during the Anarchy, and the corrupted system screwed her, big time, but she managed to get by. Then, her stupid brother goes and steals from the Beast, who demands her as payment. Well, her, a pile of cash, or her sister - option two and three aren't acceptable. ----- The Snow Queen Kai, heir of the dilapidated clan who's established residence in the most dangerous mountain on Gaia to avoid persecution, has enough problem on his plate. For starters? Finding enough food. Lack of running water. Keeping the kids alive - and out of the slave trade. The torrential snow. But when he sees that innocent, defenseless girl who persists in staying in the cold wastelands all by herself, he can't close his eyes, she becomes his to care for. She's the last full fledged goddess residing in Gaia and that mortal wishes to save her. Men are stupid. A house full of babies and a very brawny man... After narrowly escaping marriage to the wrong man, Raquel Santiago flees to a beautiful little village in France to regain her independence—away from the strict protocols of a princess in training.
