Leap Mar 29 2021 With *Leap*, Terry Tempest Williams, award-winning author of *Refuge*, offers a sustained meditation on passion, faith, and creativity-based upon her transcendental encounter with Hieronymus Bosch's medieval masterpiece *The Garden of Delights*. Williams examines this vibrant landscape with unprecedented acuity, recognizing parallels between the artist's prophetic vision and her own personal experiences as a Mormon and a naturalist. Searing in its spiritual, intellectual, and emotional courage, Williams's divine journey enables her to realize the full extent of her faith and through her exquisite imagination opens our eyes to the splendor of the world.

Leap Apr 29 2021 Until recently, Tess Vigeland was a longtime host with Public Radio's Marketplace; it was a rewarding, high-status job, and Tess was very good at it—but she'd begun to feel restless. Without any definite, clear sense of what she wanted to do next (but an absolute certainty that what she'd been doing was no longer truly satisfying), she walked away from her dream job and into a vast unknown. Suddenly she was no longer "Marketplace's Tess Vigeland," she was just Tess Vigeland. For the multitude of Americans who change jobs mid-career (by choice or circumstance), the growing legions of freelance workers, and the entrepreneurially-minded who see self-employment as an increasingly more appealing and viable option, Tess Vigeland has created a personal and well-researched account of leaping without a net. With her signature humor, she writes honestly about the fear, uncertainty, and risk involved in leaving the traditional workforce—but also the excitement, resources, and possibilities that are on the other side. Part memoir and part field guide, this book offers a funny, thoughtful, and provocative look at how to find happiness, satisfaction, and success when pursuing a career less ordinary.

[Nickey the Cricket and Friends Take a Leap for Love](#) Jun 19 2020 Come and take an enjoyable journey with, Nickey the Cricket and his friends! "Nickey, the Cricket, and Friends, Take a Leap for Love," is a delightful story for Children of all ages, which will teach your child what friendship, love, and God's true Love are all about.

[A Leap of Faith](#) Nov 24 2020 'One of the best writers around!' Katie Fforde 'Full of down-to-earth humour' Sophie Kinsella Sappho Jones stopped counting birthdays when she reached thirty but, even with her hazy grip on mathematics, she realises that she's on the slippery slope to the big four-oh! With the thought suddenly lodged in her mind that she's a mere cat's whisker away from becoming a single eccentric female living in a country cottage in Wales, she has the urge to do something dramatic before it's too late. The trouble is, as an adventurous woman of a certain age, Sappho's pretty much been there, done that, got the T-shirt. In fact, the only thing she hasn't tried is motherhood. And with sexy potter Nye on hand as a potential daddy - or at least donor - is it time for her to consider the biggest leap of all? It's either that or buy a cat . . . Wonderfully wry, heart-warming and life-affirming, *A Leap of Faith* is perfect for fans of romantic comedies by Milly Johnson and Jill Mansell Readers are falling in love with *A Leap of Faith*: ***** 'A sheer joy to read' ***** 'Romance, friendship and a mystery all wrapped up in one book' ***** 'A quirky and fun story with a lot of laughter thrown in' **This novel was originally published in 2001 as *The Urge to Jump*.**

Never-Ending Activity Book: A Leap of Leopards Aug 02 2021 Solve this wild search-and-find again and again with the attached write-and-

wipe pen! A leap of leopards, a pandemonium of parrots, a zeal of zebras—oh my! This search-and-find activity book is wild with fun animal group names and wacky scenes. Use the attached write-and-wipe pen to circle silly things as you find them and then erase them when you're finished—it's the activity that never ends!

The Leap of Your Life Aug 22 2020 There's a bold decision in your life you've been waiting to make, and every day passing by is a reminder of what hasn't happened. Conveniently tucked in a box labeled 'someday,' the fear of the unknown has taken a grip on your life and put your dreams on hold. Until now. Whether your leap is quitting the soul sucking job and starting your own business, taking a bold chance on love or finally going all in on your dreams, *The Leap of Your Life* is the ticket to get you there. All while having the time of your life and ensuring you don't wake up years down the line with a sinking feeling of regret. Author and high-performance coach Tommy Baker has helped thousands of everyday people identify and take their leap, step into courage and create a life they can't wait to wake up for. After interviewing 250+ of the world's most powerful entrepreneurs, thought leaders, experts, spiritual teachers and athletes he discovered a common theme: They all took a leap, even if they were full of fear—and it radically transformed their experience of life. If you're ready to: Re-define risk and stop playing small Step into the boldest version of yourself Give yourself permission to take a chance Live the Hero's Journey of your life story Eradicate regret and 'what could have been' . . . then look no further and order *The Leap Of Your Life* now!

The Wonder Weeks Sep 03 2021 "This is not a book about how to make your child into a genius, however. We firmly believe that every child is unique and intelligent in his own way. It is a book on how to understand and cope with your baby when he is difficult and how to enjoy him most as he grows. It is about the joys and sorrows of growing with your baby." -Publisher's website.

Leap! Dec 18 2022 A lyrical leap from one animal to the next! "A flea asleep / in the deep green moss / nettled by midges / wakes up cross, / starts to fidget / and turn and toss." And then he LEAPS into the path of a grasshopper. Who, in turn, LEAPS onto a bunny. And so it goes, dog, fish, bullfrog, horse and dog again, each leaping and upsetting the next. Until, at last, the dog arrives in that same deep green moss. The flea leaps onto the dog. And they both fall asleep! A romp of a satisfying, circular story poem — like a game of tag, it's pure delight!

A Leap for Legadema Jan 15 2020 Introduces the leopard by following a husband and wife team who observe them, discussing how leopards are taught to hunt by their mother, the types of food they eat, and why their population has been dwindling.

The Radical Leap Nov 05 2021 A new, tenth anniversary edition of the leadership classic that was hailed as one of the 100 Best Business Books of All Time. In his exciting and timeless business parable, *The Radical Leap*, Steve Farber explores an entirely new leadership model, one in which leaders aren't afraid to take risks, make mistakes in front of employees, or actively solicit employee feedback. His book dispenses with the typical, tired notions of what it means to be a leader. Farber's modern parable begins on a sunny California beach where he has a strange and unexpected encounter with a surfer named Edg. Despite his unassuming appearance, the enigmatic Edg seems to know an awful lot about leadership and this brief interaction propels Steve into an unforgettable journey. Along the way, he learns about Extreme Leadership--and what it means to take the Radical Leap: Cultivate Love Generate Energy Inspire Audacity Provide Proof Geared to people at any level who aspire to change things for the better, *The Radical Leap* is creating legions of Extreme Leaders in business, education, non-profits and beyond.

Leap Nov 17 2022 "Alison Shaw stared nervously into the giant seawater tank. One year ago, she and her team of marine biologists had stunned the world with an incredible breakthrough. Now they were about to do it again. And this time, they were ready. But an ocean away, something strange was unfolding. Along a lonely coast in South America, an experimental Russian submarine--long thought to have been dismantled--has suddenly resurfaced. And the U.S. Navy has taken notice, sending John Clay and Steve Caesare to investigate. They discover the sub has

been quietly studying a group of soldiers making mysterious trips into the jungle under the cover of darkness"--Back cover

Making a Leap Jan 27 2021 This is a practical handbook for those wanting to use drama and theatre to explore personal and social issues in their work with young people. It provides a model that is adaptable for work with different groups, and different timescales a day.

Leap In Nov 12 2019 At once inspiring, hilarious, and honest, the new book from Alexandra Heminsley chronicles her endeavor to tackle a whole new element, and the ensuing challenges and joys of open water swimming. "It's a meditative act," they said. But it was far from meditative for Alexandra Heminsley when yet another wave slammed into her face. It was survival. When she laced up her shoes in *Running Like a Girl*, all she had to do to become a runner was to get out there and run. But swimming was something else entirely. The water was all-consuming, confusing her every move, sabotaging every breath.

Determined, Alexandra would learn to adapt, find new strengths, and learn to work with the water. She does not want to stand on the beach looking at the sea any longer. She wants to leap in. In doing so she will learn not just how to accept herself, but how to accept what lay beyond. Soon, she will be able to see water, anywhere in the world and sense not fear but adventure. She will dive into water as she hopes to dive into life. And it has nothing to do with being "sporty" or being the correct shape for a swimsuit. Open water swimming is currently one of the fastest growing sports in the world, and marathon swimming is the only sport where men and women do not race in separate categories. The water welcomes all who are willing and prepared to take part, and as Alexandra shows in her wondrous and funny book, not knowing how to do something is not necessarily a weakness—strength lies within the desire to learn. The time is now to leap in, and revel in what you thought was beyond you, discovering that it was only ever you holding you back.

Peep Leap Dec 14 2019 In the hollow of a tree, higher than the eye can see . . . nine wood ducks hatch, one by one. "That's good!" says Mama. "We're almost done." One last egg is very still. . . Finally, the smallest egg hatches. Then it's time for all the wood ducks to make the BIG jump from the tree—where their mother made her nest—to the water below. Ducklings One through Nine make the leap. But Duckling Ten isn't so sure. This adorable counting book highlights the giant leap that wood ducks must make on their second day in the world.

[Zahara, Or, A Leap for Empire](#) Oct 12 2019

One Giant Leap Jul 21 2020 The New York Times bestselling, "meticulously researched and absorbingly written" (The Washington Post) story of the trailblazers and the ordinary Americans on the front lines of the epic Apollo 11 moon mission. President John F. Kennedy astonished the world on May 25, 1961, when he announced to Congress that the United States should land a man on the Moon by 1970. No group was more surprised than the scientists and engineers at NASA, who suddenly had less than a decade to invent space travel. When Kennedy announced that goal, no one knew how to navigate to the Moon. No one knew how to build a rocket big enough to reach the Moon, or how to build a computer small enough (and powerful enough) to fly a spaceship there. No one knew what the surface of the Moon was like, or what astronauts could eat as they flew there. On the day of Kennedy's historic speech, America had a total of fifteen minutes of spaceflight experience—with just five of those minutes outside the atmosphere. Russian dogs had more time in space than US astronauts. Over the next decade, more than 400,000 scientists, engineers, and factory workers would send twenty-four astronauts to the Moon. Each hour of space flight would require one million hours of work back on Earth to get America to the Moon on July 20, 1969. "A veteran space reporter with a vibrant touch—nearly every sentence has a fact, an insight, a colorful quote or part of a piquant anecdote" (The Wall Street Journal) and in *One Giant Leap*, Fishman has written the sweeping, definitive behind-the-scenes account of the furious race to complete one of mankind's greatest achievements. It's a story filled with surprises—from the item the astronauts almost forgot to take with them (the American flag), to the extraordinary impact Apollo would have back on Earth, and on the way we live today. From the research labs of MIT, where the eccentric and legendary pioneer Charles Draper created the tools to fly the Apollo spaceships, to the factories where dozens of women sewed spacesuits, parachutes, and even computer hardware by hand, Fishman captures the exceptional feats of these ordinary Americans. "It's been 50 years since Neil Armstrong took that one small step. Fishman explains in dazzling

form just how unbelievable it actually was" (Newsweek).

[The Five Thousand Year Leap](#) Feb 25 2021 The Founding Fathers of the United States of America created the first free people in modern times. They wrote a new kind of Constitution which is now the oldest in existence. They built a new kind of commonwealth designed as a model for the whole human race. They believed it was thoroughly possible to create a new kind of civilization; giving freedom, equality, and justice to all. The Founders created a new cultural climate that gave wings to the human spirit. They built a free-enterprise culture to encourage industry and prosperity. They gave humanity the needed ingredients for a gigantic 5,000-year leap in which more progress has been made in the past 200 years than all of prior recorded human history. All of this came about because of 28 basic principles the Founders discovered, upon which all free nations must be built in order to succeed. This eBook includes the original index, footnotes, table of contents and page numbering from the printed format, and also new illustrations.

[Taking a Leap of Faith When the Lord Says, "JUMP!"](#) Feb 14 2020 Have you ever stood at the edge of a precipice about to make a monumental decision, and you don't have a clue what to do? We have discovered some strategies for making those decisions. Come along on our journey as we have taken that leap of faith when the Lord said, "JUMP!"

Taking the Leap Sep 15 2022 Discusses the Buddhist concept of shenpa in order to describe how to become free from the destructive energy experienced during moments of conflict.

[Leap, Laugh, Love](#) Apr 17 2020 Kerry Mills is a professional surfer who travels the circuits of the world's surfing competitions until a broken heart and a shark encounter send her reeling to a tiny beachfront cottage. Focusing on her recovery, she has no interest in a rebound relationship. That is, until a tattooed hunk she spies in an outdoor shower asks her to teach him to surf. Suddenly, romance doesn't look so bad. Finn Meriwether used to be the life of the party and the class clown, but years of war in the Middle East have replaced his smile with a deep frown. He's overdue for a vacation and heads for his friend's seaside cottage for some well-deserved R&R. Kerry soon discovers that sharks are the least of her worries. Her heart is at risk of being swallowed by a man whose grief and guilt overrides his ability to live and love. Can Kerry and Finn rise above their fears and take a leap for true love?

[The Escape; Or, a Leap for Freedom Large Print](#) May 31 2021 The *Escape; or, A Leap for Freedom* is a play written by African American abolitionist William Wells Brown. It was one of the earliest extant pieces of African American dramatic literature. Williams Wells Brown toured and gave readings of his play at Anti-Slavery rallies and political events.

Little Leap Forward Chapter Apr 10 2022 A sensitively written, real-life story about a boy called Little Leap Forward, growing up in the hutongs of Beijing in the 1960s, at the time of the Cultural Revolution.

Leap Dec 06 2021 Every business faces the existential threat of competitors producing cheaper copies. Even patent filings, market dominance and financial resources can't shield them from copycats. So what can we do—and, what can we learn from companies that have endured and even prospered for centuries despite copycat competition? In a book of narrative history and practical strategy, IMD professor of management and innovation Howard Yu shows that succeeding in today's marketplace is no longer just a matter of mastering copycat tactics, companies also need to leap across knowledge disciplines, and to reimagine how a product is made or a service is delivered. This proven tactic can protect a company from being overtaken by new (and often foreign) copycat competitors. Using riveting case studies of successful leaps and tragic falls, Yu illustrates five principles to success that span a wide range of industries, countries, and eras. Learn about how P&G in the 19th century made the leap from handcrafted soaps and candles to mass production of its signature brand Ivory, leaped into the new fields of consumer psychology and advertising, then leaped again, at the risk of cannibalizing its core product, into synthetic detergents and won with Tide in 1946. Learn about how Novartis and other pharma pioneers stayed ahead by making leaps from chemistry to microbiology to genomics in drug discovery; and how forward-thinking companies, including China's largest social media app--WeChat, Tokyo-based Internet service provider Recruit Holdings, and Illinois-headquartered John Deere are leaping ahead by leveraging the emergence of ubiquitous connectivity, the inexorable rise of intelligent machines, and the rising importance of managerial creativity. Outlasting competition is difficult; doing so over decades or a century is nearly impossible--unless one leaps. Ultimately, *Leap* is a manifesto for how pioneering companies can endure and prosper in a world of constant change and inevitable copycats.

Breakthrough May 19 2020 BreakthroughBy Michael C. Grumley

The Escape; Or, A Leap for Freedom Feb 08 2022

Make the Leap Jul 13 2022 The key to unlocking your potential isn't in training harder or doing more sophisticated workouts. It's in thinking better about your training. Think better, train better. Make the Leap provides athletes and coaches a step-by-step guide to thinking more effectively about all aspects of training. It first explains exactly what a Leap Cycle is and why some athletes make a leap while others don't. It then systematically breaks down--via 11 Optimal Training Principles and 4 mental model spotlights--the attitudes and behaviors that the top performers use to think better about their training. Some of the key concepts in the book include: - Why leaps happen (and how to generate one) - The Build - Leap - Sustain "Leap Cycle" of improvement - The Momentum Model and how to identify what is holding you back - The importance of attitude and mindset - Engagement and revealing the Hidden Training Program - Systems vs Purposeful Practice and when to implement them - North Star goals vs Next Step goals - Using Next Level 80/20 thinking to prioritize your training - Understanding Risk and Reward in performances - And more! Coaches, Olympians, and everyday runners agree: Make the Leap will help you think better, train better, and run faster. "Make the Leap will transform how you think about your training, which in turn will transform your entire running experience. If you feel you have untapped potential, read this book." - Matt Fitzgerald, Coach, Author of 80/20 Running and Chasing the Dream "Make the Leap is a pathway book. A mental running clinic in book form, it allows an individualized approach for each person that reads it. It is a book I will read over and over again." - Ken Reeves, 2x National Coach of the Year, 11x CA State Cross Country Champion at Nordhoff High "Make the Leap has completely flipped my mindset in every aspect of my training, and I now find myself more engaged and motivated to implement purpose in everything I do within my formal training program as well as my day-to-day life. I truly believe reading this was one of the best things I could do for myself in striving for my athletic potential." - Sarah Turner, coach/dietician, BananasAndSplits.com "If Make the Leap had been available I would have strongly encouraged the athletes I've coached over the years to read it at the start of each season." - Bob Larsen, Hall of Fame Inductee; US Olympic Distance Coach See more reviews at: maketheleapbook.com/praise

The Escape, Or, A Leap for Freedom Sep 22 2020 A well-known nineteenth-century abolitionist and former slave, William Wells Brown was a prolific writer and lecturer who captivated audiences with readings of his drama *The Escape; or, a Leap for Freedom* (1858). The first published play by an African American writer, *The Escape* explored the complexities of American culture at a time when tensions between North and South were about to explode into the Civil War. This new volume presents the first-edition text of Brown's play and features an extensive introduction that establishes the work's continuing significance. *The Escape* centers on the attempted sexual violation of a slave and involves many characters of mixed race, through which Brown commented on such themes as moral decay, white racism, and black self-determination. Rich in action and faithful in dialect, it raises issues relating not only to race but also to gender by including concepts of black and white masculinity and the culture of southern white and enslaved women. It portrays a world in which slavery provided a convenient means of distinguishing between the white North and the white South, allowing northerners to express moral sentiments without recognizing or addressing the racial prejudice pervasive among whites in both regions. John Ernest's introductory essay balances the play's historical and literary contexts, including information on Brown and his career, as well as on slavery, abolitionism, and sectional politics. It also discusses the legends and realities of the Underground Railroad, examines the role of antebellum performance art--including blackface minstrelsy and stage versions of *Uncle Tom's Cabin*--in the construction of race and national identity, and provides an introduction to theories of identity as performance. A century and a half after its initial appearance, *The Escape* remains essential reading for students of African American literature. Ernest's keen analysis of this classic play will enrich readers' appreciation of both the drama itself and the era in which it appeared. The Editor: John Ernest is an associate professor of English at the University of New Hampshire and author of *Resistance and Reformation in Nineteenth-Century African-American Literature: Brown, Wilson, Jacobs, Delany, Douglass, and Harper*.

Entrepreneurial Leap Jan 07 2022 You've thought about starting your own business . . . but how can you decide if you should really take the leap? There's a lot on the line, and you have to ask yourself difficult

questions: Do I have what it takes? Is it worth it? And how the hell do I do it? You need answers, not bullshit. This book has them.

Entrepreneurial Leap: Do You Have What it Takes to Become an Entrepreneur? is an easy-to-use guide that will help you decide, once and for all, if entrepreneurship is right for you—because success as an entrepreneur depends on far more than just a great idea and a generous helping of luck. In this three-part book, Gino Wickman, bestselling author of *Traction*, reveals the six essential traits that every entrepreneur needs in order to succeed, based on real-world startups that have reached incredible heights. If these traits ring true for you, you'll get a glimpse of what your life would look like as an entrepreneur. What's more, Wickman will help you determine what type of business best suits your unique skill set and provide a detailed roadmap, with tools, tips, and exercises, that will accelerate your path to startup success. Packed with real-life stories and practical advice, *Entrepreneurial Leap* is a simple how-to manual for BIG results. Should you take the leap toward entrepreneurship? Find out today and let tomorrow be the first step in your new journey, whatever shape it may take.

It Takes a Leap Oct 16 2022 A young man leaves college unsure of what to do next in his life, so he goes to his grandfather for guidance. His abuelo then shares a fable filled with metaphors that illustrate life lessons his grandson can apply for clarity in his life and what it means to embark on a journey to discover the three fundamental questions to life. Who am I? What is my Purpose? What is my Value? The Fable tells the story of a village boy named Manu who leaps into the unknown with the intent of discovering who he is. He encounters exciting characters that play a vital role in the boy's evolution and his journey to finding his voice and serving his purpose. The Fable is filled with life lessons that will leave the reader feeling inspired to take the LEAP in their own personal life and go after what they truly want regardless of the FEARS and DOUBTS that may arise.

Conveniently tucked in a box labeled 'someday,' the fear of the unknown has taken a grip on your life and put your dreams on hold. Until now. Whether your leap is quitting the soul sucking job and starting your own business, taking a bold chance on love or finally going all in on your dreams, *The Leap of Your Life* is the ticket to get you there. All while having the time of your life and ensuring you don't wake up years down the line with a sinking feeling of regret. Author and high-performance coach Tommy Baker has helped thousands of everyday people identify and take their leap, step into courage and create a life they can't wait to wake up for. After interviewing 250+ of the world's most powerful entrepreneurs, thought leaders, experts, spiritual teachers and athletes he discovered a common theme: They all took a leap, even if they were full of fear—and it radically transformed their experience of life. If you're ready to: Re-define risk and stop playing small Step into the boldest version of yourself Give yourself permission to take a chance Live the Hero's Journey of your life story Eradicate regret and 'what could have been' . . . then look no further and order *The Leap Of Your Life* now!

Leap of Reason Oct 04 2021

A Leap in the Dark May 11 2022 It was an age of fascinating leaders and difficult choices, of grand ideas eloquently expressed and of epic conflicts bitterly fought. Now comes a brilliant portrait of the American Revolution, one that is compelling in its prose, fascinating in its details, and provocative in its fresh interpretations. In *A Leap in the Dark*, John Ferling offers a magisterial new history that surges from the first rumblings of colonial protest to the volcanic election of 1800. Ferling's swift-moving narrative teems with fascinating details. We see Benjamin Franklin trying to decide if his loyalty was to Great Britain or to America, and we meet George Washington when he was a shrewd planter-businessman who discovered personal economic advantages to American independence. We encounter those who supported the war against Great Britain in 1776, but opposed independence because it was a "leap in the dark." Following the war, we hear talk in the North of secession from the United States. The author offers a gripping account of the most dramatic events of our history, showing just how closely fought were the struggle for independence, the adoption of the Constitution, and the later battle between Federalists and Democratic-Republicans. Yet, without slowing the flow of events, he has also produced a landmark study of leadership and ideas. Here is all the erratic brilliance of Hamilton and Jefferson battling to shape the new nation, and here too is the passion and political shrewdness of revolutionaries, such as Samuel Adams and Patrick Henry, and their Loyalist counterparts, Joseph Galloway and Thomas

Hutchinson. Here as well are activists who are not so well known today, men like Abraham Yates, who battled for democratic change, and Theodore Sedgwick, who fought to preserve the political and social system of the colonial past. Ferling shows that throughout this period the epic political battles often resembled today's politics and the politicians--the founders--played a political hardball attendant with enmities, selfish motivations, and bitterness. The political stakes, this book demonstrates, were extraordinary: first to secure independence, then to determine the meaning of the American Revolution. John Ferling has shown himself to be an insightful historian of our Revolution, and an unusually skillful writer. *A Leap in the Dark* is his masterpiece, work that provokes, enlightens, and entertains in full measure.
