SIZE: 6X9 PAPER: White Lined Paper PAGES: 124 Pages COVER: Soft Cover (Matte) Limited Time Offer Perfect for note taking, sketching, memories or day planning Printed on high quality interior stock paper Premium matte finish cover with amazing art work Order your copy today! What the

financial diaries of working-class families reveal about economic stresses, why they happen, and what policies might reduce them Deep within the American Dream lies the belief that hard work and steady saving will ensure a comfortable retirement and a better life for one's children. But in a nation experiencing unprecedented prosperity, even for many families who seem to be doing everything right, this ideal is still out of reach. In The Financial Diaries, Jonathan Morduch and Rachel Schneider draw on the groundbreaking U.S. Financial Diaries, which follow the lives of 235 low- and middle-income families as they navigate through a year. Through the Diaries, Morduch and Schneider challenge popular assumptions about how Americans earn, spend, borrow, and save—and they identify the true causes of distress and inequality for many working Americans. We meet real people, ranging from a casino dealer to a street vendor to a tax preparer, who open up their lives and illustrate a world of financial uncertainty in which even limited financial success requires imaginative—and often costly—coping strategies. Morduch and Schneider detail what families are doing to help themselves and describe new policies and technologies that will improve stability for those who need it most. Combining hard facts with personal stories, The Financial Diaries presents an unparalleled inside look at the economic stresses of today's families and offers powerful, fresh ideas for solving them. Excerpt from The Federal Corporation Tax and Modern Accounting Practice: A Paper Income, p. 377; t minor bookkeeping and accounting problems inv the tax, p. 384; the treatment of extraordinary and extraneous income. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
