The Vampire in Nineteenth Century English Literature Vintage Crime/Black Lizard
 Vampires have always fascinated and frightened, and now their reach goes beyond horror-flick fans. Teens the world over have fallen under the spell of these mysterious, blood-sucking, and oh-so-alluring beings! From Buffy to Twilight, vampire fans have gotten smarter and savvier, and this is the book for them. Learn how vampires live, how they avoid capture, and why they're so darn attractive. Also trace the history of vampire lore--in literature, movies, and on television--from the woods of Transylvania to the modern-day high school. Chock full of info and insight, each gorgeous page will draw in readers of every age, with innovative styling, never-before-seen imagery, and deliciously wicked design. Perhaps this enticing tome is best read while wearing a garlic necklace . . .

Vampire Forensics McFarland

First in a delightfully irreverent new series-and second to none when it comes to beautiful 227-year-old career women. Being dead isn't all it's cracked up to be. Take it from Francesca Marinelli, trapped underground for over 200 years and rediscovered during the renovation of a Victorian mansion in historic St. Augustine. A tourist attraction herself, she's well suited for a job as an Old Ghost Town Tour guide. Francesca's due for a new lease on afterlife-and with enough sunblock, she can finally live it. Unfortunately, everything she learned about men is a little dated. And when people in her tour group turn up dead, naturally the police suspect her. After all, she is a vampire. Which is why a crazed vampire-hunting vigilante squad is out to get her as well. Between the dead bodies, the stalkers, and a seriously non-existent love life, she's starting to wish she was dead. Or at least buried, where she was safe.

Against the social and economic upheavals that characterized the nineteenth century, the border-bending nosferatu embodied the period's fears as well as its forbidden desires. This volume looks at both the range among and legacy of vampires in the nineteenth century, including race, culture,

social upheaval, gender and sexuality, new knowledge and technology. The figure increased in popularity throughout the century and reached its climax in *Dracula* (1897), the most famous story of bloodsuckers. This book includes chapters on Bram Stoker's iconic novel, as well as touchstone texts like John William Polidori's *The Vampyre* (1819) and Sheridan Le Fanu's *Carmilla* (1872), but it also focuses on the many "Other" vampire stories of the period. Topics discussed include: the long-war veteran and aristocratic vampire in Varney; the vampire as addict in fiction by George MacDonald; time discipline in Eric Stenbock's *Studies of Death*; fragile female vampires in works by Eliza Lynn Linton; the gender and sexual contract in Mary Elizabeth Braddon's "Good Lady Duwayne;" cultural appropriation in Richard Burton's *Vikram and the Vampire*; as well as Caribbean vampires and the racialized Other in Florence Marryat's *The Blood of the Vampire*. While drawing attention to oft-overlooked stories, this study ultimately highlights the vampire as a cultural shape-shifter whose role as "Other" tells us much about Victorian culture and readers' fears or desires.

The Vampire Avon

Some tell of a great city of black jasper which has streets and buildings like any other city but is

eternally in mourning, enveloped by perpetual gloom. Some call it Selene, some Vampire City, but the vampires refer to it among themselves by the name of the Sepulchre... To destroy the dreaded vampire lord Otto Goetzi, writer Ann Radcliffe, Merry Bones the Irishman, and Grey Jack her faithful servant, launch an all-out attack on Selene... "We can easily see in Vampire City the ultimate literary ancestor of Buffy the Vampire-Slayer."-Brian Stableford. Paul F?val (1816-1887) was the author of numerous popular swashbuckling novels and one of the fathers of the modern crime thriller. Brian Stableford has published more than fifty novels and two hundred short stories. Vampire City was written in 1867-thirty years before Bram Stoker's Dracula-and is one of three classic vampire stories also available from Black Coat Press.

#1 New York Times Bestselling author - Surrender to fiction's greatest creature of the night - Book II of the Vampire Chronicles The vampire hero of Anne Rice's enthralling novel is a creature of the darkest and richest imagination. Once an aristocrat in the heady days of pre-revolutionary France, now a rock star in the demonic, shimmering 1980s, he rushes through the centuries in search of others like him, seeking answers to the mystery of his eternal, terrifying existence. His is a mesmerizing story—passionate, complex, and thrilling. Praise for The Vampire Lestat “Frightening, sensual. . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time, to become lightheaded as if our blood is slowly being drained away.”—San Francisco Chronicle “Fiercely ambitious, nothing less than a complete unnatural history of vampires.”—The Village Voice “Brilliant. . . its undead characters are utterly alive.”—The New York Times Book Review “Luxuriantly created and richly told.”—The Cleveland Plain Dealer

Buffy the Vampire Slayer: The Official Grimoire Black Coat Press

"Fighting temptation for quite awhile, Karin has been able to stave off the urge to bite the handsome, if misfortunate, Kenta Usui. Instead, she tries to do nice things for him, but, alas, this is becoming more and more difficult! Deep down, is there some romance blooming between them? If the gossip floating through the school halls is any indication, Karin might as well bite the boy who's causing her so much confusion!"--Cover.

The Reluctant Vampire Capstone

THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER From New York Times bestselling author Jay Kristoff comes *Empire of the Vampire*, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

Baltimore, Or, The Steadfast Tin Soldier and the Vampire Taylor & Francis

Vampires have walked among us for thousands of years. These reanimated corpses survive by draining and consuming the blood of the living, and their threat to humanity cannot be ignored. Throughout the centuries, professors and peasants have offered their own vampire-fighting tips, but these were often old wives' tales, based more on superstition than on fact. Here, for the first time, is a comprehensive vampire-fighting guide for the twenty-first century. In the tradition of bestsellers like *The Zombie Survival Guide* and *The Zen of Zombie*, *The Vampire Survival Guide* covers everything you need to know to protect yourself from vampires. Topics include the habits and routines of vampires, how to tell if somebody you know has become a vampire, how to protect yourself from attack, how to set traps, what to do if you must fight off multiple vampires, how to cleanse an entire town after devastating vampiric attacks, and much more. It confronts head-on the most terrifying situation of all—that of being bitten by a vampire—by providing the reader with numerous approaches, rooted in both science and medicine and religion, for fighting off blood-suckers before it is too late. Vampires are found in every country in the world—not just in Eastern Europe and Sunnydale, California. With the human population expected to reach over 9 billion by the year 2050, confrontations between men, women, children, and vampires are increasingly

inevitable. This guide is the human race's best hope.

The Vampire in Nineteenth-Century Literature National Geographic Books

Being turned into a vampire is the easy part. Actually becoming a vampire is far more difficult. In today's world of vampire-obsessed pop culture, misinformation abounds. A newly turned vampire who looks to movies and novels for answers to everlasting life's questions will inevitably be reduced to a smoldering pile of dust. So whom can you, a neophyte immortal, trust to provide reliable information and proven strategies for leading your best and bloodiest existence? The Vampire Miles Proctor, editor of *The New Vampire's Handbook*. In this definitive guide, the newly turned will find • a head-to-toe look at your vampiric body: how to harness your new powers to dispatch mortal enemies, maintain your fangs, and embrace your vampirosexuality • methods for luring prey, faking your way through meals, approaching other vampires, and creating a four-hundred-year financial plan • tips on acting your “age,” behaving appropriately if you see a human you knew decades ago, and dealing with epic vampire feuds • essential advice for blending in with the masses, from finding a coven to avoiding the media (and mirrors) to staying on top of the latest fashion trends • the joy of scrapbooking Plus helpful online resources, a glyph guide, renovation instructions for emergency lairs, a Ruling Families directory, nightly mantras, and personal anecdotes from The Vampire Miles Proctor's nearly five hundred years of experience. Welcome to the night.

Vampire 101 Penguin

The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller. . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

The Vampire Survival Guide Insight Editions

The Vampire Archives is the biggest, hungriest, undeadliest collection of vampire stories, as well as the most comprehensive bibliography of vampire fiction ever assembled. Dark, stormy, and delicious, once it sinks its teeth into you there's no escape. Vampires! Whether imagined by Bram Stoker or Anne Rice, they are part of the human lexicon and as old as blood itself. They are your neighbors, your friends, and they are always lurking. Now Otto Penzler—editor of the bestselling *Black Lizard Big Book of Pulps*—has compiled the darkest, the scariest, and by far the most evil collection of vampire stories ever. With over eighty stories, including the works of Stephen King and D. H. Lawrence, alongside Lord Byron and Tanith Lee, not to mention Edgar Allan Poe and Harlan Ellison, The Vampire Archives will drive a stake through the heart of any other collection out there. Other contributors include: Arthur Conan Doyle • Ray Bradbury • Ambrose Bierce • H. P. Lovecraft • Harlan Ellison • Roger Zelazny • Robert Bloch • Clive Barker

It's tough for love-struck Raven to imagine what's keeping her nocturnal boyfriend from returning to Dullsville. So there's only one thing to do—find Alexander. Along the way, Raven can't resist the spot where she feels most at home, the Coffin Club. But when she stumbles upon a secret door in the club, she descends into a dim catacomb—to a hidden hangout where the house drink happens to be type A or B. Drawn to one of its shadowy members, Raven suspects she's in over her head. But exploring the covert club is too tempting, even after coming face-to-face with Alexander's trouble-stirring enemy. Can Raven delve further into the Underworld unbeknownst to Alexander—and also solve the mystery of her true love's own secrecy? Ellen Schreiber's sizzling *Vampire Kisses* series continues with its darkest installment yet.

The Art of Vampire Knight Harper Collins

Adjusting to college life has not been easy for Buffy as she watches Willow fit in nicely, but as Sunnydale is overrun by vampires, Buffy must forget her jealousies and fight the battles needed to rid Sunnydale of its demons.

The Vampire Book TokyoPop

Vampires have been a fixture of film since Bela Lugosi brought Bram Stoker's *Dracula* to life on the big screen in 1931. Over the decades the genre has been far from static, as vampire narratives changed and evolved with the appetites of their viewing public. First depicted as formally dressed villains, vampires would later be portrayed as supernatural beings with some human characteristics, and still later as sympathetic figures. Focusing on 19 representative films and

television productions, this critical study tracks the evolutionary changes of the screen vampire. It explores the factors that cause a genre to change and examines the alternating cycles of audience expectation. The author identifies three distinct modes of depiction: the Malignant Cycle (1931-1948), comprised primarily of the Universal films; the Erotic Cycle (1957-1985), which encompasses Hammer films and popular television shows such as *Dark Shadows*; and the Sympathetic Cycle (1987-present) including recent offerings such as *The Lost Boys*, *Interview with the Vampire* and *Buffy the Vampire Slayer*. Each film is evaluated in seven key areas including the act of the vampire biting the victim; process of the victim's infection; physical appearance and demeanor of the vampire and the vampire expert; and the eventual destruction of the vampire. Appendices include a complete filmography of the films examined. Instructors considering this book for use in a course may request an examination copy here.
